ZOOMING IN

NTDTV's flagship news series, "Zooming In" explores the critical political, economic, and cultural issues affecting China.

"Zooming In" is produced weekly and is defined by well-researched reports, insightful story-telling, and commitment to engage tough issues affecting Asia and its world partners. "Zooming In" delivers relevant, thought provoking content concerning the cultural and business communities in Asia.

Editorial is further enhanced with interviews with North American political & business leaders.

Each 30 minute show is produced weekly
